Bill Bryson is the author of this book. His books include travel memoirs and books on language. His book A Walk in the Woods is an engaging light-hearted travelogue about the less traveled areas of Great Britain. As usual, Bill Bryson both educates and entertains as he moves through his travelogue. From the beginning of the book, Bryson is crystal clear that we know very little about Shakespeare. B.B. provides us with enough contextual information to help us draw our own conclusions.
