The Ant and the Elephant World Stories

The little elephant was very scared of his father and did not like it when he was angry. But the ant was a very brave ant and was not scared of the grumpy old father. One day, the two friends were playing a game of mahabis* when they heard the angry father approaching. The ground shook violently and the trees swayed from side to side.

The Ant and the Elephant Leadership for the Self by Vince

Our ant is the intentional part of the brain, but our elephant is the instinctual, impulsive part of the brain that houses emotions and memories and even guides the body to perform vital functions. While we tend to know our conscious minds our ants rather well, we often overlook the power of our elephantine

subconscious minds. When we do, unfortunately, we squander a wellspring of human
